I/we agree not to claim ownership over the microorganisms received from CABI BIOSCIENCE UK Centre (Egham) formerly the International Mycological Institute, nor to seek intellectual property rights over them or related information. If we wish to utilize or exploit such organisms commercially, suitable and adequate sharing of benefits in the spirit of the Convention on Biological Diversity will first be discussed with CABI BIOSCIENCE.

I/We also agree to ensure that any subsequent person or institution to whom I/we make samples of the microorganism available, is bound by the same provision.
